O R D E R :

In the reference read above, the Vice Chairman & Managing Director, Sports Authority of Andhra Pradesh, Vijayawada has stated that the SAAP Board has passed resolution in it's 75th Board meeting to start Academies for team games in the academic year 2018-19. Six Sports Academies covering 8-team games would commence in the academic year 2018-19. These Academies would function at the same locations where existing Individual Games Academies are functioning. Also, selection of students for individual and team games academies has been completed.

2) Further, he has stated that M/s.Tenvic Sports Education Pvt. Ltd. is managing existing 6 Individual Games Academies covering 10 individual games disciplines which started in the academic year 2017-18. The total strength of students in individual games Academies is 280 and the agreement amount with M/s.Tenvic Sports Education Pvt. Ltd., is Rs.5.40 Crore per year which implies that the total cost per child per month is Rs.16071.40. The proposed strength of team games academies is 350. Taking the same cost of Rs.16071.40 per child per month for team games makes it Rs.6.75 Crore per year excluding GST and Rs.7.965 Crore including GST. Given the fact that the team games academies would be setup at the same locations where individual sports academies are functioning and that they have to bear the same cost of Rs.16071.40 per child per month for team games academies, extending the management of team games academies contract to M/s.Tenvic Sports Education Pvt. Ltd., is logical. As per board resolution arrangements and selections for team sport academies are completed. SAAP has established the cost per sports person for academy coaching through open tender for individual sports. On the basis of that cost SAAP can award the work of conducting team sports academies to M/s.Tenvic Sports Education Pvt. Ltd. Further it is not practically feasible to allow two management agencies to run two academies at one place. Hence, he has requested to approve at the already bidded cost per sportsperson of M/s.Tenvic Sports Education Pvt. Ltd., to manage the team sports academies also.

3) Government, after careful examination of the above proposal, hereby accord permission to the Vice Chairman & Managing Director, Sports Authority of Andhra Pradesh, Vijayawada to bear the cost of Rs.16071.40 per child per month for team games academies and extending the management of team games academies contract to M/s.Tenvic Sports Education Pvt. Ltd., for the academic year 2018-19.

4) The Vice Chairman and Managing Director, Sports Authority of Andhra Pradesh, Vijayawada shall take necessary further action accordingly. Further, VC & MD, SAAP will submit on line performance reports of all trainees in team events every month evaluating the performance of M/s Tenvic Sports Education Pvt. Ltd., in half-yearly reports.
